

Difficult Conversations[®]

Quality Improvement ½ day Masterclasses: EOLC Advanced Legal Issues - £150

Improve the quality of your care for people and families with advanced serious illness and end of life care (EOLC) needs.

Explore the legal framework surrounding End of life care and serious illness to help you confidently discuss such matters as they arise.

Our training is enjoyable, confidential and practical.

Covers: Full details click [here](#):

- Informed consent when a patient has capacity
- The Mental Capacity Act & Human Rights Act
- DOLS update
- Advance Care Planning + Confidentiality and information sharing

Our experienced trainer can help you take your knowledge and skills to the next level.
